Technical Specifications

Material: Transparent PVC

Placement type: Hanging from ceiling or frame

Sizes: 54" H x 36" W (AGC5436H)
72" H x 52" W (AGC7252H)

Packaging: Individually packaged, 5 units/box

Contents: 1. Pipe of require length (7/8" dia)
2. PVC curtain of selected size with eyelets fitted
3. Hanging rings to hang curtain from pipe

Country of origin: China

Usage Instructions

- Affix the hanging rings to the eyelets on the curtain
- Slide the rod through the hanging rings
- Screw in hanging hooks on either end of rod using included hex nuts
- Hang from metal chain/rope from supporting structure depending on height required

Note: Does not include rope/wire/chain to hang from ceiling as each customer's requirements could differ. Use metal chain or plastic rope (not included) if ceiling is high. Two hooks provided at each end for hanging from high ceiling.
