

CS5001

Water Based Anti-Spatter

Features

- Water soluble liquid made to prevent weld spatter adhesion.
- Non-flammable, solvent-free, non-hazardous formulation.
- Works with a wide variety of surfaces.
- No shaking, stirring, or dilution necessary.
- Brush or spray on surface, and wipe spatter away once done welding.

Technical Specifications

- **Color:** Red
- **Size:** 1 Gallon
- **Weight:** 1.29 lbs
- **Packaging:** 4 per case
- **Country of origin:** US
