## Fluorescent Green Corded Double Palm Impact Resistant Glove

### Features

- Fluorescent green corded polyester palm helps provide excellent grip in oily conditions.
- Soft nonwoven liner provides additional abrasion resistance and all-day comfort.
- Wing thumb pattern for better flexibility and roominess in the palm.
- Polyester knit wrist cuff that helps to prevent gloves from slipping off during use and offers a more comfortable fit.
- High-contrast black TPR on back of hand and thumb provides ANSI 138 Level 2 impact protection to help prevent crushing injuries.
