DESCRIPTION

The Metal Man Dual Bottle Deluxe Welding Cabinet is an all-in one solution when you have two welders or require two bottles of welding gas. Designed for welders(s) to sit on top of a cabinet, and with a 7-1/2" dual gas cylinder configuration, it makes maneuvering a snap. It includes 4 drawers on ball bearing slides and has varying sizes that provide convenient storage for helmet, hammer, brush and other welding accessories. The keyed cabinet provides additional storage with internal shelves and storage bins on the door. Two cable holders help keep all your cables organized.
